Such use is limited to Client’s internal use. OneTrack shall provide Client access to the OneTrack Platform for Authorized Users solely through the necessary passwords and network links or connections. Client shall be solely liable for any use of the Solution with Client’s passwords, network links or connections. The provision of access and use of OneTrack Equipment as part of the Solution is detailed in Section 2(h) below.
- (b) Documentation License. Subject to the terms and conditions contained in this Agreement, OneTrack hereby grants to Client a non-exclusive, non-sublicensable, non-transferable license to use the Documentation during the Term solely for Client’s internal business purposes in connection with its use of the Solution.
- (c) Use Restrictions. Client shall not use the Solution for any purposes beyond the scope of the access granted in this Agreement. Client shall not at any time, directly or indirectly, and shall not permit any Authorized Users to: (i) copy, modify, or create derivative works of the Solution or Documentation, in whole or in part; (ii) rent, lease, lend, sell, license, sublicense, assign, distribute, publish, transfer, or otherwise make available the Solution or Documentation to any third party; (iii) reverse engineer, disassemble, decompile, decode, adapt, or otherwise attempt to derive or gain access to any software component (including any source code) or databases of the Solution, in whole or in part; (iv) remove any proprietary notices from the Solution or Documentation; (v) use the OneTrack IP to build a product or service using similar ideas, features, functions, or graphics of the Solution; (vi) use any of the OneTrack IP or any outputs from the Solution in connection with a machine learning or artificial intelligence system other than the Solution; or (vii) use the Solution or Documentation in any manner or for any purpose that infringes, misappropriates, or otherwise violates any intellectual property right or other right of any person, or that violates any applicable law.
- (d) Reservation of Rights. OneTrack reserves all rights not expressly granted to Client in this Agreement. Except for the limited rights and licenses expressly granted under this Agreement, nothing in this Agreement grants, by implication, waiver, estoppel, or otherwise, to Client or any third party any intellectual property rights or other right, title, or interest in or to the OneTrack IP.
- (e) Suspension. Notwithstanding anything to the contrary in this Agreement, OneTrack may temporarily suspend Client’s and any Authorized User’s access to any portion or all of the Solution if: (i) OneTrack reasonably determines that (A) there is a threat or attack on any of the OneTrack IP; (B) Client’s or any Authorized User’s use of the OneTrack IP disrupts or poses a security risk to the OneTrack IP or to any other Client or vendor of OneTrack; (C) Client, or any Authorized User, is using the OneTrack IP for fraudulent or illegal activities; (D) subject to applicable law, Client has ceased to continue its business in the ordinary course, made an assignment for the benefit of creditors or similar disposition of its assets, or become the subject of any bankruptcy, reorganization, liquidation, dissolution, or similar proceeding; or (E) OneTrack’s provision of the Solution to Client or any Authorized User is prohibited by applicable law or (ii) any vendor of OneTrack has suspended or terminated OneTrack’s access to or use of any third-party services or products required to enable Client to access the Solution, collectively known as a **“Service Suspension”**; OneTrack shall use commercially reasonable efforts to provide written notice of any Service Suspension to Client and to provide updates regarding resumption of access to the Solution following any Service Suspension. OneTrack shall use commercially reasonable efforts to resume providing access to the Solution as soon as reasonably possible after the event giving rise to the Service Suspension is cured. OneTrack will have no liability for any damage, liabilities, losses (including any loss of data or profits), or any other consequences that Client or any Authorized User may incur as a result of a Service Suspension. Client shall remain obligated to pay all fees during any Service Suspension period, except that if the Service Suspension exceeds seventy-two (72) consecutive hours and is not caused by Client’s breach of this

Agreement or actions or omissions, Client shall receive a pro-rata credit for the period of suspension exceeding seventy-two (72) hours.

- (f) Aggregated Statistics. Notwithstanding anything to the contrary in this Agreement, OneTrack may monitor Client's use of the Solution and collect and compile Aggregated Statistics. As between OneTrack and Client, all right, title, and interest in Aggregated Statistics, and all intellectual property rights therein, belong to and are retained solely by OneTrack. Client acknowledges that OneTrack may compile Aggregated Statistics based on Client Data input into the Solution. Client agrees that OneTrack may (i) make Aggregated Statistics publicly available in compliance with applicable law, and (ii) use Aggregated Statistics to the extent and in the manner permitted under applicable law; provided that such Aggregated Statistics do not identify Client by name or Client's Confidential Information as specifically designated in writing by Client. Client recognizes and agrees that, as a result of such use of Aggregated Statistics, the Solution could reproduce elements of such data in outputs provided to OneTrack's other Clients.
- (g) Client Equipment. Client agrees to allow OneTrack and our agents the right to access Client Equipment, mount OneTrack Equipment onto Client Equipment, access and tie into Client Equipment power sources and Client's Wi-Fi network. Client warrants it is either the owner of the Client Equipment or that Client has the authority to give OneTrack access to the Client Equipment. If Client is not the owner of the Client Equipment, Client is responsible for obtaining any necessary approval from the owner to allow OneTrack and its agents access to the Client Equipment to perform the activities described in this paragraph.
In addition, Client agrees to supply OneTrack or its agents, if requested, the owner's name, address and phone number and/or evidence that the owner provided such authorization. For avoidance of doubt, "Client Equipment" does not include OneTrack Equipment for which Client has paid an Unreturned Equipment Fee.
- (h) OneTrack Equipment. Client expressly agrees that it will use the OneTrack Equipment exclusively in connection with the Solution. Client agrees that all OneTrack Equipment belongs to OneTrack and will not be deemed fixtures or in any way part of the premises or site. OneTrack may remove or change the OneTrack Equipment at its discretion at any time the Solution is active or following the termination of the Solution. Client acknowledges that any addition to, removal of or change to the OneTrack Equipment may interrupt the Solution. Client may not, and shall not permit any third party to, sell, lease, lend, license, sublicense, encumber, pledge as security, abandon, discard, or give away the OneTrack Equipment, or permit any other service provider or any third party to access, use, service, modify, or reverse engineer the OneTrack Equipment, including OneTrack Equipment for which an Unreturned Equipment Fee has been paid. Any such unauthorized action shall, at OneTrack's written election, constitute a material breach of this Agreement, and entitle OneTrack to demand the reasonable replacement value of any such affected equipment plus all associated costs and damages. The OneTrack Equipment may only be used on the site and may not be removed from the site as defined in the Order Form unless expressly permitted by OneTrack, which permission may be withheld in OneTrack's sole and absolute discretion. CLIENT UNDERSTANDS AND ACKNOWLEDGES THAT AN ATTEMPT TO INSTALL OR USE THE OneTrack SOLUTION AT A LOCATION OR ON EQUIPMENT OTHER THAN THE CLIENT EQUIPMENT UPON WHICH IT WAS INSTALLED BY OneTrack OR OTHERWISE EXPRESSLY AUTHORIZED BY OneTrack MAY CAUSE THE SOLUTION TO FAIL TO FUNCTION OR TO FUNCTION IMPROPERLY AND SHALL CONSTITUTE A MATERIAL BREACH OF THIS AGREEMENT. Client shall not allow anyone other than OneTrack or OneTrack's authorized agents to service the OneTrack Equipment. Client is solely responsible for all loss, repair, replacement and other costs, damages, fees and charges for failure to return the OneTrack Equipment to OneTrack in an undamaged condition. For avoidance of doubt, OneTrack Equipment remains OneTrack-owned equipment, and OneTrack retains title to all OneTrack Equipment, at all times, including but not limited to after payment of an Unreturned, Lost or Damaged Equipment.
- (i) Access to Client Sites and Client Equipment. Client shall provide OneTrack and its agents the ability to access and enter at reasonable times the Client Sites, and access specific Client Equipment identified on an Order Form for purposes of installing, configuring, maintaining, inspecting, upgrading, replacing and removing the OneTrack Equipment. In the event Client wishes to expand the Solution to additional Client Sites, such additional Client Site will be identified in a subsequent Order Form. Client warrants that it is either the owner of the Client Site or that it has the authority to give OneTrack access to the Client Site. If Client is not the owner of the Client Site, Client is responsible for obtaining any necessary approval from the owner to allow OneTrack and its agents into the Client Site to perform the activities specified above. In addition, Client agrees to supply OneTrack or our agent, if requested, the owner's name, address, and phone number and/or evidence that the owner has provided such authorization.
- (j) Non-Recommended Configurations. Client Equipment that does not meet our minimum technical or other specifications constitutes a "Non-Recommended Configuration. OneTrack reserves the right to deny support for

the Solution and/or terminate Solution if Client uses a Non-Recommended Configuration. NEITHER OneTrack NOR ANY OF ITS AFFILIATES, SUPPLIERS OR AGENTS WARRANTS THAT A NON-RECOMMENDED CONFIGURATION WILL ENABLE CLIENT TO SUCCESSFULLY INSTALL, ACCESS, OPERATE OR USE THE SOLUTION. CLIENT ACKNOWLEDGES THAT INSTALLATION, ACCESS, OPERATION OR USE OF A NON-RECOMMENDED CONFIGURATION COULD CAUSE CLIENT EQUIPMENT TO FAIL TO OPERATE OR CAUSE DAMAGE TO CLIENT EQUIPMENT, CLIENT, CLIENT SITE OR ONETRACK EQUIPMENT. NEITHER OneTrack NOR ANY OneTrack AFFILIATES, SUPPLIERS OR AGENTS SHALL HAVE ANY LIABILITY WHATSOEVER FOR ANY SUCH FAILURE OR DAMAGE.

- (k) Machine Learning: Client Decisions. Aggregated Statistics may be used and processed to develop, train, or enhance artificial intelligence or machine learning models that are part of OneTrack's products and services, including third-party components of the Solution. Due to the nature of artificial intelligence and machine learning, information generated by these features may be incorrect or inaccurate and may contain hallucinations, unintended biases, or other errors. Solution features that include artificial intelligence or machine learning models are not human and are not a substitute for human oversight. Client must select appropriate inputs and criteria and verify the Solution output's accuracy before relying on it for business, safety, security, or employment decisions. Client acknowledges that it remains solely liable for all decisions, actions or inaction, or selection of inputs, criteria, and thresholds involving the use of the Solution or which are based on or incorporate any Solution outputs and for complying with all applicable laws, regulations, orders, or safety guidelines regarding Client's business, employment decisions, and the safety or security of its operations. Client further acknowledges that OneTrack shall have no duty to follow-up or to warn Client regarding (i) any data collected through the use of the OneTrack Equipment or the Solution; or (ii) any decision by the Client to act or not to act based on or incorporating any Solution outputs, including with respect to any safety, security, employment, or business decisions.

3. Client Responsibilities.

- (a) General. Client is responsible and liable for all access to and use of the Solutions and Documentation by Client, the Authorized Users, or any other person or entity using credentials provided to Client, whether such access or use is permitted by or in violation of this Agreement. Without limiting the generality of the foregoing, Client is responsible for all acts and omissions of Authorized Users, and any act or omission by an Authorized User that would constitute a breach of this Agreement if taken by Client will be deemed a breach of this Agreement by Client. For purposes of this Agreement, such Third-Party Products are subject to their own terms and conditions and the applicable flow through provisions, and OneTrack is not responsible for, and disclaims any representations, warranties, and liabilities, arising out of or related to the Third-Party Products. If Client does not agree to abide by the applicable terms for any such Third-Party Products, then Client should not install or use such Third-Party Products.

- (a) Service Levels. As of the effective date, OneTrack will use commercially reasonable efforts to make the Solution available 24 hours a day, seven days per week, 365 days per year, except for unavailability that may result from a Force Majeure Event as provided in Section 12 of this Agreement and regularly scheduled maintenance windows ("Permissible Downtime Events"). Client further represents, warrants, and covenants to OneTrack that it shall not use the OneTrack Equipment or the Solution in any manner or for any purpose that violates any applicable law, regulation or order.

9. Indemnification.

- (b) Client agrees to indemnify, defend and hold OneTrack and its employees, directors, officers and agents harmless against any Liability arising out of or resulting from any third party claims made or proceedings brought against OneTrack to the extent such Liability arises as a result of (a) Client's breach of its representations, warranties, or obligations under this Agreement; (b) Client's gross negligence or willful misconduct, (c) the Client Data, (d) OneTrack's access to or use of Client Equipment as authorized by Client, or (e) Client's misuse of the Solution.

CLIENT ACKNOWLEDGES THAT WITHOUT THESE DISCLAIMERS AND LIMITATIONS SET FORTH IN SECTIONS 8 AND 10, THE COST OF THE SOLUTION WOULD HAVE BEEN SUBSTANTIALLY GREATER OR OneTrack WOULD NOT HAVE ENTERED INTO THIS AGREEMENT.

11. Term and Termination.

- (a) Term. The term of this Agreement shall commence on the first day of the month following the planned installation of the OneTrack Solution as provided in an Order Form and end upon the earlier of (i) termination by either Party in accordance with the provisions of this Agreement, or (ii) the expiration of all services to be provided under any and all Order Forms executed pursuant to this Agreement (the "Term").  - (ii) either Party may terminate this Agreement, effective on written notice to the other Party, if the other Party materially breaches this Agreement, and such breach: (A) is incapable of cure; or (B) being capable of cure, remains uncured 30 days after the non-breaching Party provides the breaching Party with written notice of such breach; or

 - (iv) The termination of an individual Order Form will not terminate any other Order Form or this Agreement, unless otherwise specified in a properly applicable written notice of termination. Without prejudice to any other right or remedy of OneTrack, in the event either party terminates an order, Client will pay OneTrack all fees due and payable upon the effective date of termination.
- (c) Effect of Expiration or Termination. Upon expiration or earlier termination of this Agreement, OneTrack may immediately discontinue Client's and its Authorized User's access to the Solution, and Client shall immediately discontinue use of the OneTrack IP and, without limiting Client's obligations under Section 6, Client shall delete, destroy, or return all copies of the OneTrack IP and certify in writing to the OneTrack that the OneTrack IP has been deleted or destroyed. No expiration or termination will affect Client's obligation to pay all Fees that may have become due before such expiration or termination, or entitle Client to any refund. Client expressly agrees that all device removal or deinstallation at the end of a Service Term shall be done in compliance with the OneTrack Equipment Terms and may be subject to fees as defined in OneTrack Field Service Implementation Terms & Conditions.
- (d) Survival. This Section 11(d) and Sections 1, 5, 6, 7, 8(b), 9, 10, and 13 survive any termination or expiration of this Agreement. No other provisions of this Agreement survive the expiration or earlier termination of this Agreement.

12. Force Majeure.

- (a) Conditions of Force Majeure. Neither Party shall be liable for failures and delays in performance due to any cause or circumstance beyond its reasonable control, including without limitation, any failures or delays in performance caused by acts of any State or governmental action, acts of terrorism, freight embargos or quarantine of any type, riots, disturbances, war, terrorist attacks, prolonged shortage of energy supplies, epidemics, fire, flood, hurricane, tornado, typhoon, earthquake, lightning and explosion, and strikes and lock outs and similar labor disputes, strikes, lockouts, fires, acts of God or the public enemy, riots, incendiaries, interference by civil or military authorities, failure of communications or information technology systems (including, by way of example and not to be exclusive, interruption or failure of telecommunication or digital communication links or hostile network attacks such as ransomware and cyberterrorism attacks), epidemics, pandemics including, but not limited to COVID-19 or similar matters, or compliance with the laws of the United States of America or with the orders of any governmental authority including lock downs or travel bans caused by pandemics (“Force Majeure”). Force Majeure is triggered if it takes place in the United States or anywhere within the world regardless of whether the Parties conduct any business transaction where a Force Majeure Event occurs.
- (b) Notice Pursuant to Force Majeure. A Party invoking Force Majeure shall provide to the other Party confirmation of the existence of the circumstances constituting Force Majeure. Upon giving notice to the other Party, a Party affected by an event of Force Majeure shall be released, without any liability, from the performance of its obligations under this Agreement, except for the obligation to pay any amounts due and owing hereunder, to the extent, and for the period that its performance is prevented by the event of Force Majeure, but not for any obligation upon termination or expiration of this Agreement. The Party claiming Force Majeure shall promptly notify the other Party of the termination of such event.

13. Miscellaneous.

- (a) Entire Agreement. This Agreement, together with any other documents incorporated herein by reference and all related attachments, constitutes the sole and entire agreement of the Parties with respect to the subject matter of this Agreement and supersedes all prior and contemporaneous understandings, agreements, and representations and warranties, both written and oral, with respect to such subject matter. In the event of any inconsistency between the statements made in the body of this Agreement, the related Exhibits, and any other documents incorporated herein by reference, the following order of precedence governs: (i) first, this Agreement, excluding its Exhibits; (ii) second, the Exhibits to this Agreement as of the Effective Date; and (iii) third, any other documents incorporated herein by reference.
- (b) Marketing. Client agrees to collaborate in the development of marketing materials (e.g., case studies, blog posts, conference presentations, etc.). - (c) Notices. All notices, requests, consents, claims, demands, waivers, and other communications hereunder (each, a “Notice”) must be in writing and addressed to the Parties at the addresses set forth on the first page of this Agreement (or to such other address that may be designated by the Party giving Notice from time to time in accordance with this Section). All Notices must be delivered by personal delivery, nationally recognized overnight courier (with all fees pre-paid), facsimile or email (with confirmation of transmission) or certified or registered mail (in each case, return receipt requested, postage pre-paid). Except as otherwise provided in this Agreement, a Notice is effective only: (i) upon receipt by the receiving Party; and (ii) if the Party giving the Notice has complied with the requirements of this Section.
- (d) Amendment and Modification: Waiver. No amendment to or modification of this Agreement is effective unless it is in writing and signed by an authorized representative of each Party. No waiver by any Party of any of the provisions hereof will be effective unless explicitly set forth in writing and signed by the Party so waiving. Except as otherwise set forth in this Agreement, (i) no failure to exercise, or delay in exercising, any rights, remedy, power, or privilege arising from this Agreement will operate or be construed as a waiver thereof and (ii) no single or partial exercise of any right, remedy, power, or privilege hereunder will preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.
- (e) Severability. If any provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability will not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal, or unenforceable, the Parties shall negotiate in good faith to modify this

- Agreement so as to affect their original intent as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.
- (f) Governing Law: Submission to Jurisdiction. This Agreement is governed by and construed in accordance with the internal laws of the State of Illinois without giving effect to any choice or conflict of law provision or rule that would require or permit the application of the laws of any jurisdiction other than those of the State of Illinois.
 - (g) Reference Company. In consideration for the level of compensation and fees set forth in this Agreement, Client agrees that it may act as a reference client for OneTrack in accordance with this section. OneTrack may use Client's name, as a reference in OneTrack's promotional materials, including, but not limited to, its client lists, brochures, and electronic media (collectively the "Promotional Materials") and the parties may issue a mutually agreed upon press release regarding Client's engagement of OneTrack subject at all times to OneTrack's confidentiality obligations in Section 6.
 - (h) Assignment. Client may not assign any of its rights or delegate any of its obligations hereunder, in each case whether voluntarily, involuntarily, by operation of law or otherwise, without the prior written consent of OneTrack, which consent shall not be unreasonably withheld, conditioned, or delayed. Any purported assignment or delegation in violation of this Section will be null and void. No assignment or delegation will relieve the assigning or delegating Party of any of its obligations hereunder. This Agreement is binding upon and inures to the benefit of the Parties and their respective permitted successors and assigns.
 - (i) Export Regulation. Client shall comply with all applicable federal laws, regulations, and rules, and complete all required undertakings (including obtaining any necessary export license or other governmental approval), that prohibit or restrict the export or re-export of the Solution or any Client Data outside the US.

Each of the Documentation and the software components that constitute the Solution is a "commercial item" as that term is defined at 48 C.F.R. § 2.101, consisting of "commercial computer software" and "commercial computer software documentation" as such terms are used in 48 C.F.R. § 12.212. Accordingly, if Client is an agency of the US Government or any contractor therefor, Client only receives those rights with respect to the Solution and Documentation as are granted to all other end users, in accordance with (a) 48 C.F.R. § 227.7201 through 48 C.F.R. § 227.7204, with respect to the Department of Defense and their contractors, or (b) 48 C.F.R. § 12.212, with respect to all other US Government users and their contractors.
 - (k) Equitable Relief. Each Party acknowledges and agrees that a breach or threatened breach by such Party of any of its obligations under Section 6 or, in the case of Client, Section 2(c), would cause the other Party irreparable harm for which monetary damages would not be an adequate remedy and agrees that, in the event of such breach or threatened breach, the other Party will be entitled to equitable relief, including a restraining order, an injunction, specific performance and any other relief that may be available from any court, without any requirement to post a bond or other security, or to prove actual damages or that monetary damages are not an adequate remedy. Such remedies are not exclusive and are in addition to all other remedies that may be available at law, in equity or otherwise.
 - (l) Counterparts. This Agreement may be executed in counterparts, each of which is deemed an original, but all of which together are deemed to be one and the same agreement.
